

Georgia Mental Health Access in Pediatrics (GMAP)

The new GMAP program provides resources to support providers' ability to assess, treat, and refer children with behavioral health needs.

Pediatric primary care providers participating in GMAP gain access to:

Behavioral health education
(CME and CNE available)

Behavioral health expert advice line for guidance on cases

Behavioral health provider directory

For more information visit gacoeonline.gsu.edu/gmap or email us at GMAP@gsu.edu
